

## 100 YEARS OF CHRISTIAN COMMUNITY

September 16, 2022 marks the 100th Anniversary of the founding of The Christian Community, Movement for Religious Renewal. Throughout the rest of this year, we will look at what this renewed approach to the sacramental & communal life offers & explore future impulses. Additionally, conferences are happening in the US and abroad which will celebrate the consecration of humanity, now & into the future! We invite you to come and see!

## INTERNATIONAL CONFERENCE

LOGOS—Consecrating Humanity, October 7-11,  
2022 in Dortmund, Germany  
Information at [www.cg-2022.org](http://www.cg-2022.org)

*"The question is: **Where is Christ now?** Whoever tries to see with the inner eye sees that he has been there. No longer is He here in physical form, but He is found in the moving form of substance that is not visible with the outer eye. This means He moves through every single space and every single element of time. Consequently, HE IS VERY NEAR. And He is as lively as ever, the threshold breaking into the human being like never before in history. What is missing only is the open invitation to experience that and thus the chance for a total transformation to take place within the person... **Christ manifests in our day in the person who is in movement.**" —JOSEPH BEUYS*
