

From time to time, throughout this year, the media will bring us news about a set of twins, one on earth, and the other on a space station. So it seems a good time to do our own research into the mysteries of the twin imagination, beginning with contributions Sunday, June 28 and July 19th.

What is the relationship of John the baptizer and Jesus? One soul, but in earthly life divided, is that possible? Who is the golden twin in the Fairy Tale? How did Castor and Pollux find a place in the heavens? Are myself and I twins? Does everyone have a twin?

Looking Far Ahead - save the dates

Every four years a **North-South Americas Conference** is hosted alternately in North and South America. The last conference took place on Vancouver Island in Canada; the **next conference will be in Argentina during the last week of July in 2016. At Pentecost 2017 there will be a World Pentecost Conference in Rotterdam, the Netherlands.** This is a rare opportunity to experience The Christian Community as a world movement.

Dear Members and Friends,
MONET'S TABLE, our recent fundraiser for the priest
retirement fund was most delicious and the music a
thrilling delight. Thank you Rita, Thomasina, Robb, Lelia,
Terri, Bill, Michael, Madelon and all the other hands
behind the scenes. What an uplifting community event!

Remember, summer is a time to breathe out. Do what
the river does to refresh its water: meander. Or allow for
moments of healthy boredom only to find yourself visited
and surprised by the unexpected, unimagined and
unplanned. But most of all look up into the summer sky.
Ralph Waldo Emerson must have done it a lot to
conclude: *The sky is the daily bread of the eye.*
Or maybe you want to browse and read:
Several pamphlets are available as free PDF downloads
from our Christian Community's press, Floris Books.
Some of the nine titles include *Gospel Readings in the
Cycle of the Year* by Schroeder, *Rituals around Death*,
by Baum, and *Sacramental Consultation: the Path into
Communion* by Ravetz. www.florisbooks.co.uk

With this program you receive our financial report for the
year 2014. Please be aware that although we ended with
only a small deficit, donations have considerably
dropped. We can make up for it at the moment with our
rental income, but it is not in keeping with a healthy
congregation. Please remember the needs of your
congregation. Thank you.

*'Love is the most splendid phenomenon in the en-
souled creation, the all-powerful magnet in the
spirit-world, the source of devotion and the loftiest
virtue. I confess in all honesty, I believe in the
reality of an unconditional love. A spirit that only
loves itself is like an atom in endless empty space.
Let us recognize excellence, so it be ours.
Let us become convinced of the higher ideal of
unity, so that we may find one another in brotherly
love.
Let us think with clarity, so that we may burn with
love.'*
- Friedrich Schiller
